Reviewer comments are given below: -

1. The idea of an article Exploring the Future of Dairy Management: Integration and AI are fine.
2. Affiliations of authors are given.
3. All the references are cited in the text.
4. Number of references is less; it must be 18-20 from standard publications.
5. Comparative studies with standard publications like IEEE/ Springer etc. are not shown. Highlight your findings.
6. Formation of articles is very poor. See point 12 and format your article accordingly.
7. Table & Figure numbering and captions are not given. It must be added to the camera-ready paper.
8. Simulation results are shown and explained.
9. References are not properly aligned. See point 12 and do accordingly.
10. Number of pages should not be more than 6 pages.
11. Please note that plagiarism should not be more than 10%. Please submit the final paper with a plagiarism report.
12. Send the updated docx and PDF revised file as camera ready paper in the given format https://isve.in/wp-content/uploads/2025/11/IEEE-conference-template-a4.docx

Article will be accepted with above changes.

Thanks & regards
